10-0105. LICENSES - REGULATIONS AS TO CLASSES - FEES.

1. Licenses authorizing the sale of alcoholic beverages within the City are divided into the following classes; the fees for each class are payable at the time of application for the license and the amount for each license will be set by resolution of the City Commission, which resolution shall be on file with the City Administrator:
 - (a) Wholesaler's License.

2. The licenses for the sale of alcoholic beverages set out above will be in effect for a period of one (1) year commencing July 1 of each year and terminating June 30 of the following year. If an application is made for a license during the licensing year, the license that is granted is only for the unexpired portion of such year ending June 30, at which time an application for renewal of the license must be made. The license fee for a partial year is prorated so that it equals one-twelfth (1/12th) of the licensing fee set out above times the number of months the license will be in effect. The entire license fee for the portion of the year is paid at the time of the issuance of the license. Provided, that if a transfer of a license will occur within sixty (60) days after July 1, the current license holder and intended transferee can file a joint application for a new license along with the required annual fee. The current licensee will receive a new license effective July 1, and upon written confirmation within sixty (60) days of July 1, the City Administrator issues a new license to the transferee without the need of further license fees.
3. If an application is for a new liquor license, or a transfer of a license, not a renewal of an existing license, in addition to the annual license fee set forth above, an initial application fee, payable to the City of West Fargo, must accompany the license application fee. The amount of the initial application fee is twenty-five percent (25%) of the annual license fee set out above for the license or licenses for which application is being made. Such initial application fee will not be refunded, whether or not a license is granted by the City, and the initial application fee will not be prorated, even if the

initial application is for a portion of a year. Provided, that if a transfer of a license is to a person who already holds a beer or liquor license in the City, or to an entity whose owners, shareholders, or partners have all had background checks by the West Fargo Police Department, the City Administrator may waive the initial application fee.

4. A license holder or Applicant for a premises that includes a restaurant and that allows persons under twenty-one (21) years of age to enter the premises, is required to file with the City a statement by a certified public accountant indicating that he or she has examined and tested the books and records of the licensee and that the licensee's gross revenue from the sale of food is equal to or exceeds the gross revenue from the sale of alcoholic beverages in the dining area. At the option of the licensee, in lieu of a certified public accountant's statement, licensee may request from the State Tax Commissioner's Office and furnish to the City Administrator's office a certified copy of licensee's sales tax returns for the most recent 12-month period prior to renewal. Notwithstanding furnishing of such sales tax returns, the City may, in its discretion, require the licensee to comply with the requirement that a statement by a certified public accountant be furnished as aforesaid. Costs incurred in connection with the requirements of this section are the sole responsibility of the licensee. The City may also, in its discretion, conduct an independent investigation of the sales ratio of food to alcoholic beverages and for such purpose, the licensee agrees to allow inspection of its business records. In the event that the results of an independent investigation by the City results in a determination that sale of food does not equal or exceed the sale of beverages in the dining area, the licensee is required to pay costs of such investigation, and the licensee will have to suspend persons under the age of twenty-one (21) from entering the establishment. Notwithstanding the foregoing section, any person applying for a new, or converting to a, restaurant liquor on and off premises license or restaurant liquor on premises license will have a period of six (6) months, or until the next license renewal period, to establish that the Applicant's gross revenue from the sale of food is equal to or exceeds the gross revenue from the sale of alcoholic beverages.
5. A wholesaler's license may be issued to persons eligible under the terms of the laws of the State of North Dakota, or amendments thereto, who are engaged in the business of selling alcoholic beverages to licensed retail dealers or

in interstate commerce only, provided, that no license will be granted to wholesalers who directly or indirectly own or control, or have financial interest in the ownership, control, or operation of a licensed retail on sale and/or off sale business.

6. A license must include a complete and accurate listing of Applicant's key personnel, including but not limited to, the owner(s), the Resident Manager, and/or Chief Financial Officer.

10-0106. APPLICATION FOR LIQUOR LICENSE. Failure to provide this documentation within the above time line will result in the automatic suspension of the license.

7. Taxes. A license will not be issued, transferred, or renewed for any location in which the real property taxes are delinquent and unpaid.

8. In the event that the Liquor Control Board determines the applicant does not meet the requirements set forth in sub-sections 1 through 7 of this section, it shall deny the applicant's application.

10-0109. SERVER TRAINING REQUIRED. A qualified alcoholic beverage licensee, or Applicant, under the provisions of this chapter, is required to send managers and employees involved in the sale or serving of alcoholic beverages at said licensed establishment to a server training course, as approved by the West Fargo Police Department.

- a. Persons successfully completing the approved class will receive a "server training certificate card," which remains with said individual wherever employed. The "server training certificate card" is not required to be in said person's possession during hours of employment, at a licensed establishment, provided the card can be produced within twenty-four (24) hours.

- e. Existing licensees are required to submit along with the license renewal applications, a complete roster of managers and employees involved in the sale or serving of alcoholic beverages. Said roster is to include first name, last name, date of birth, date of hire, and server training card expiration date.

suspension or permanent termination of the licensee's liquor license.

Failure to comply with the above-referenced requirements may result in the delay of the liquor license renewal and/or suspension of said license until date of compliance.

10-0110. LIABILITY INSURANCE REQUIRED OF LICENSEES. A person licensed under the authority of this chapter, other than wholesalers, must provide the City Administrator, not later than thirty (30) days after a license is issued, proof of liability and liquor liability insurance (Dram Shop). 2. Upon approval or conditional approval, the Applicant must execute a post-approval form ("Form B") made available through the office of the City Administrator. Upon completion of Form B, City staff will review to ensure the application is completed properly. Once Form B has been reviewed by the respective parties with the necessary attachments, including certificate of insurance and site plan, the City Administrator or his/her authorized representative shall approve, conditionally approve, or deny the application.
3. Applications for renewal or change of venue must execute a liquor license renewal form ("Form C") made available through the office of the City Administrator. Upon completion of Form C, City staff will review to ensure the application is completed properly and present Form C to the Liquor Control Board for its approval, conditional approval, or denial.

4. If the application is for a new license or a relocation of an existing license, then notice that the Applicant has applied for a license to sell alcoholic beverages at a place designated in the application, and that the application will be acted upon by the Liquor Control Board on a certain day and time, will be published in a newspaper in the City at least ten (10) days before the date set for the hearing on the application. Such notice is signed by the City Administrator, and the expense of its publication, in addition to the license fee, must be paid by the Applicant before publication.
5. A new license, or a relocation of a license to a new location, will not be issued unless and until the Applicant has proven, to the satisfaction of the Liquor Control Board, that the following conditions have been met. These conditions do not apply to license renewals:
 - a. The Licensed Premises has a minimum of one thousand square feet (1,000 sq./ft.) of space available and devoted to the business. The measurement of one thousand square feet (1,000 sq./ft.) will be based on the exterior measurements of the building in which the premise is located, not including carports, parking areas, drive-throughs, outdoor patios, or similar exterior features to the premise. If the building is not a separate building, but has a common wall with one (1) or more other businesses, the measurement will be from the center of the common wall.
 - b. The Licensed Premise has a separate entrance or entrances from other businesses and has no interior connection by which customers may move directly from another business to the Licensed Premises. Additional factors that may be considered in the granting of a new license:

- a. The proximity of other businesses licensed to sell alcoholic beverages.
- b. Protests of neighboring property owners or occupants.
- c. Interference with neighboring properties.

- d. Suitability of premises for sale of alcoholic beverages.
- e. Recommendations and reports of appropriate City officials, including the Chief of Police, Chief of the Fire Department, Building Inspector, Health Officer, and their authorized representatives.

10-0113. POSTING OF LICENSE. The certificate of license issued to a licensee must be posted in a conspicuous place within the public portion of the premises for which the license has been issued.

10-0114. LICENSES - TERMINATION, SUSPENSION, AND REVOCATION. A license issued under the provisions of this chapter, unless otherwise specifically provided, terminates on June 30 following the date of issuance; provided however, that licenses issued under the provisions of this chapter may, under certain circumstances, terminate automatically, or be terminated, suspended, or revoked by the Liquor Control Board.

1. A license issued under the provisions of this chapter automatically terminates:
 - (a) Upon the death of the licensee unless, upon application to the Liquor Control Board by the personal representative of the decedent, the Liquor Control Board consents to the continuation of such business by the personal representative. Said application must be submitted to the Liquor Control Board within thirty (30) days of the licensee's death.
 - (b) When the licensee ceases business at the Licensed Premises. Business is deemed to have ceased when no sale of alcoholic beverages occurs on the Licensed Premises for a period of at least thirty (30) consecutive business days. However, upon written

request of the licensee, the Liquor Control Board at its discretion may grant a period of up to sixty (60) additional days before business is deemed to have ceased.

- (c) When the license or permit of the licensee issued by the United States Government, the State of North Dakota, or any other government entity to sell alcoholic beverages at the Licensed Premises has been terminated, uspended, or revoked.
2. The Liquor Control Board may, in its discretion, suspend or revoke for cause license issued under the provisions of this chapter. The grounds for suspension or revocation may include the following:
- (a) An individual licensee, one (1) of the partners in a partnership licensee, one (1) of the officers in a corporation licensee, or an individual designated in the application as Resident Manager of the licensed business is convicted of violating provision(s) of this chapter.
 - (b) An individual licensee, one (1) of the partners in a partnership licensee, one (1) of the officers, directors, or shareholders in a corporation licensee, or an individual designated in the application as Resident Manager of the licensed business is convicted of a state or federal felony.
 - (c) The business of the licensee, at the location licensed, is conducted in such a manner as to be in violation of the health, sanitary, or other regulations or ordinances of the City of West Fargo.
 - (d) The licensee, having been given a conditional license pursuant to Section 10-0108 because of failure to meet the residence requirements of this chapter, fails to have the required residency within the three (3) month period.
 - (e) If the licensee, or Resident Manager, ceases to meet the residence requirements of Section 10-0108.
 - (f) The licensee has made a false statement in his/her application for a license.

- (g) If the licensee fails to notify the City Administrator, in writing, within thirty (30) days of a change in the facts supplied to the City in the application for a license.
 - (h) If the establishment does not pass its fire safety inspection and fails to correct the violations within thirty (30) days of said inspection.
3. The grounds enumerated in Subsection 2 of this section are not deemed to be exclusive, and a license issued under the provisions of this chapter may be suspended or revoked by the Liquor Control Board for other reasons deemed by the Liquor Control Board to be sufficient in order to promote the public health, safety, morals, and general welfare of the people of the City. When a license is suspended or revoked by the Liquor Control Board pursuant to the provisions of this section, or when the licensee voluntarily ceases business, no portion of the license fee previously paid will be returned to the licensee or to anyone claiming under or through him.

10-0115. ADMINISTRATIVE HEARING/WAIVER. Any person having information that a licensed retailer of alcoholic beverages has violated any provisions of this chapter may file with the City Attorney an affidavit specifically setting forth such violation. Upon receipt of such affidavit, the City Attorney sets the matter for hearing not later than the next regular meeting of the Liquor Control Board. A copy of this affidavit and notice of hearing must be mailed to the licensee by registered mail not less than five (5) days before such hearing.

- 1. The City Attorney will notify the licensee of the reason for the hearing, and specify the time and place of the hearing. The notice, and affidavits filed in support of the suspension or revocation, are served in the same manner as provided by law with the service of the summons in the civil action, or by certified mail.
- 2. A record of the hearing must be made by the use of an electronic recording device, or otherwise. If after such hearing, the Liquor Control Board determines that sufficient cause exists for the suspension or revocation of the license issued pursuant to the provisions of this chapter, the Liquor Control Board may make its order for immediate suspension or revocation of the license.
- 3. If after such hearing the Liquor Control Board finds the violations charged in the affidavit have been proved by

the evidence, an order must be served on the licensee revoking or suspending the licensee's license for a period of time. 7. Revocation of License. The special licenses authorized by this section may be suspended or revoked by the City for violations of the terms of this section, as well as other provisions of Chapter 10-01. In addition, violation of the provisions of this section also subjects a violator to suspension or revocation of any other licenses for the sale of alcoholic beverages issued by the City pursuant to Section 10-0114.
8. Authorization to Enter. The City may authorize persons under twenty-one (21) years of age to remain in the area of the event, or a portion thereof, where beer, wine, or sparkling wine may be sold pursuant to the permit. 10-0134. REMOVAL OF WINE FROM RESTAURANT. If a full bottle of wine has been opened and the contents partially consumed, a retail alcoholic beverage licensee whose gross sales of food are at least thirty percent (30%) of the gross sales of alcoholic beverages that are consumed on the premises may permit an individual purchasing the bottle to remove the bottle when leaving the Licensed Premises if the licensee reseals the bottle with a seal that must be made conspicuously inoperative to reopen the bottle, and places a receipt of sale with the bottle. in case of temporary program closure during service disruptions, such as those that may occur due to a major disaster or a more routine event, such as a snow storm. Each opioid treatment program must develop and maintain an electronic database consisting of client identification, emergency contact information, patient's current dose, last date medication administered, and number of take-home doses allowed as part of the patient's plan and must include a mechanism for informing each patient of the emergency arrangements. If there is a service disruption, the opioid treatment program must implement its emergency plan and must forward its database and plan to the City.

2. Each opioid treatment program must inform its patients that diversion will be reported to law enforcement, and the City and must indicate how suspicions or evidence of diversion will be handled clinically. Each opioid treatment program must establish clinical procedures to minimize diversion risk to ensure appropriate treatment, such as:
