

FROM THE CHIEF

On behalf of the members of the West Fargo Police Department, I want to thank you for your interest in the Senior Safety Academy. This program is designed to provide education and crime tips to the senior residents of West Fargo. Sessions will focus on topics related to growing older safely and securely.

The Senior Safety Academy will include department history, a tour of the department, personal safety, 911 communication, Emergency Medical Services, fraud investigations, driving safety, elder abuse, fire prevention and injury prevention.

I invite you to join the Citizen's Safety Academy and look forward to your participation in this rewarding program.
